Instructions to Students for Community Service Project

Please read the detailed Guidelines on Community Service Project hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

Link:

<https://apsche.ap.gov.in/Pdf/Guidelines%20for%20the%20OJT%20Internship%20Community%20Service%20Project.pdf>

1. It is mandatory for all the students to complete 2 months (180 hours) of Community Service Project as a part of the 10-month mandatory internship/on the job training.
2. Consider yourself a committed volunteer in the community, you work with.
3. Every student should identify the village/community/habitation for Community Service Project (CSP) in consultation with the College Principal/the authorized person nominated by the Principal.
4. Report to the community/habitation as per the schedule given by the College. You must make your own arrangements for transportation to reach the community/habitation.
5. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow volunteers. Post your daily activity done and/or any difficulty you encounter during the programme.
6. You should maintain punctuality in attending the CSP. Daily attendance is compulsory.
7. You are expected to learn about the community/habitation and their problems.
8. Know the leaders and the officials of the community/habitation.
9. While in the project, always wear your College Identity Card.
10. If your College has a prescribed dress as uniform, wear the uniform daily.
11. Identify at least five learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Information about the community, including the realities and

Page No:

problems of the society,

- Need for creating awareness on *socially relevant aspects/programs*.
- Acquiring specific Life Skills.
- Learning areas of application of knowledge and technologies related to your discipline.
- Identifying developmental needs of the community/habitation.

12. Practice professional communication skills with team members, and with the leaders and officials of the community. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
13. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
14. At the end of Community Service Project, you shall be evaluated by the person in-charge of the community/habitation to whom you report to.
15. There shall also be an evaluation at the end of the community service by the Faculty Guide and the Principal.
16. Do not indulge in any political activities.
17. Ensure that you do not cause any disturbance to the inhabitants or households during your interaction or collection of data.
18. Be cordial but not too intimate with the people you come across during your service activities.
19. You should understand that during this activity, you are the ambassador of your College, and your behavior during the community service programme is of utmost importance.
20. If you are involved in any discipline related issues, you will be withdrawn from the programme immediately and disciplinary action shall be initiated.
21. Do not forget to keep up your family pride and prestige of your College.
22. Remember that you are rendering valuable service to the society and your role in the community development will become part of the history of the community.

CHAPTER 1: EXECUTIVE SUMMARY

The community service report shall have only a one-page executive summary. It shall include a brief description of the Community and summary of all the activities done by the student in CSP and five or more learning objectives and outcomes.

What is Community Service project

Community service is unpaid work performed by a person or group of people for the benefit and betterment of their community without any form of compensation. Community service project involves students in community development and service activities and applies the experience to personal and academic with the college for mutual benefit. One such program is the visits to less privileged areas where students can observe and understand the challenges faced by people living in underprivileged areas. This exposure helps students to develop empathy, humility, and a sense of responsibility towards society.

Objectives of Community Service unit

- * Strengthening the local community sense of the role of the IMC and its importance as a scientific educational institution which encourages the community to work to support the college to achieve its goals.
- * Strengthening the college's relationship with the society and advantages it in all its aspects to face the various needs and requirements, through the launch of programs and training courses that contribute to raising the efficiency of community members.
- * Contributing in spreading the scientific and cultural knowledge and scientific awareness to different sectors of society.
- * Providing scientific and professional consultations to various categories and bodies of the community to solve a work or solve a problem of the community.

- * Achieving pattern of effective partnership between sectors of society
- * Disseminating is. h. health. cultural social and educational awareness among members of the community in. cooperation with the relevant authorities.
- * provide an opportunity for experienced faculty members to benefit from different institutions and associations; in various fields
- * Engage faculty members and students to participate in community service.
- * Develop ~~ment~~ on plan for the College to serve the community.
- * Implement the approved community service plan.

CHAPTER 2: OVERVIEW OF THE COMMUNITY

About the Community/Village/Habitation including historical profile of the community/habitation, community diversity, traditions, ethics and values.

Brief note on Socio-Economic conditions of the Community/Habitation.

Short-term and long-term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

What is Digital Transactions

Digital transactions are defined as transactions in which the customer authorizes the transfer of money through electronic means and the funds flow directly from one account to another. These accounts could be held in bank or with entities/providers.

What are the digital transaction methods

Digital payment methods such as IMPS, Net, RTGS, IMPS Investments, Bank Statement, bill payment etc. are available on a single platform in mobile banking apps.

What are the digital transaction applications

A payment app or mobile wallet is a mobile application that allows you to store your debit or credit card information that can be used to pay for goods and services. It gives money instead of using physical coins or cash. Also send money to friends, family or members in an instant.

Description of the Community awareness programmes conducted and the problems and their outcomes.

What is a payment app / mobile wallet

A payment app or a mobile wallet is a mobile application that allows you to store your data offering that as credit and information that can be used to pay for goods and services in digital mode instead of using physical cards or cash and also send money online to friends, family or merchant in an instant. It is just like having a digital wallet on your phone. Digital mode for - growing industry in India. There are over 50 third-party app providers that are operating under the UPI system.

Digital Awareness Week programme

The Reserve Bank of India launched the digital payment awareness week (APW) with a mission mission to promote digital payments from March to 13/03/23 to promote online transactions. This year's campaign is Digital payment Appo Appo 100 bhi. Sachoo (Adopt digital payment and also teach others). Digital payments offer the benefits of speed, convenience, safety and security while the existing In person has made digital payment addressable. Reserve Bank of India

at 18th anniversary. Called on March 7, 2005
He said new payment system including
instant payment Indian payment system

are talked about globally and several
countries have shown interest in replicating
India's success story

Indian payment
system, he added, over 1000 crore transactions
every month since December 2002; he said

Assessing that the growing volumes of the robust need. of our prime ecosystem and acceptance by consumers. A recent pan-India digital payments survey, surveying 90,000 respondents, revealed that 48 per cent of respondents had used digital payments. Launched in 2016, UPI has emerged as the most popular payment mode in India processing person to person (P2P) and person to merchant (P2M) transactions accounting for 75 per cent of the total digital payments.

The UPI Transaction Volume has increased from 45 crore in January 2017 to 804 crore in January 2023. The UPI Transactions Value has also increased from just Rs 1700 crore to Rs 12.98 lakh crore in the same period. As said, the digital payment awareness week will further deepen the usage and footprint of digital payments across the country.

Advantages of Digital Payment System

Convenience

Digital modes of payment are designed to offer people convenience. These options can be accessed any time and any where removing the needs to visit Banks or ATMs. often more even, with multiple options, customers and merchants can choose suitable system and enjoy speedy, hassle free transactions at a low cost.

Faster payment

Digital payment options like UPI, Debit Cards etc., are quick to use. They take a few seconds even for large sums of money and can be accessed any time during the day.

Safe Transactions:

In January 2023, P.M. transaction record for 40.30% and U.P. transaction completed to 57.5% In June 2023, The work is going

From ~~2017~~ India's digital payment reports ~~showed~~ grew from Rs. 62 billion in 2017 to Rs. 22,75 billion in 2022, an increase

Financial Year (FY)

2017 - 18
2018 - 19
2019 - 20
2020 - 21
2021 - 22
2022 - 23

Total number of digital payments

8,071
2,124
4,572
5,551
8,240

The feature of digital payments in India, looks, brings with the numbers of in. bank users and e-commerce market size. Digital Cash Card, has been integrated with J. linked with 12 public, better private banks, payments, regional, state, and international.

The reduction in rural users is triggered through transaction development a clear lines pay/mee digital. It looks in users, geographic mapping and rural development needed digital. transaction strategy could be an effective solution to address the unbanked problem.

Student Self-Evaluation for the Community Service Project

Student Name: B. CraneSh

Registration No: 22231041007

Period of CSP: From: To: 10/9/23 - 10/10/23

Date of Evaluation:

Please rate your performance in the following areas:

Rating Scale: Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
8	Work Plan and organization	1	2	3	4	5
9	Professionalism	1	2	3	4	5

Internal Evaluation for the Community Service Project

Objectives:

- To facilitate an understanding of the issues that confront the vulnerable / marginalized sections of society.
- To initiate team processes with the student groups for societal change.
- To provide students an opportunity to familiarize themselves with the urban / rural community they live in.
- To enable students to engage in the development of the community.
- To plan activities based on the focused groups.
- To know the ways of transforming society through systematic programme implementation.

Assessment Model:

- There shall only be internal evaluation.
- The Faculty Guide assigned is in-charge of the learning activities of the students and for the comprehensive and continuous assessment of the students.
- The assessment is to be conducted for 100 marks.
- The number of credits assigned is 4. Later the marks shall be converted into grades and grade points to include finally in the SCPA and CCPA.
- The weightings shall be:

○ Activity Log	20 marks
○ Community Service Project Implementation	30 marks
○ Mini Project Work	25 marks
○ Oral Presentation	25 marks
- Activity Log is the record of the day-to-day activities. The Activity Log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.
- While evaluating the student's Activity Log, the following shall be considered -
 - a. The individual student's effort and commitment.
 - b. The originality and quality of the work produced by the individual student.
 - c. The student's integration and co-operation with the work assigned.
 - d. The completeness of the Activity Log.
- The assessment for the Community Service Project implementation shall include the following components and based on Weekly Reports and

Outcomes Description

- a. Details of the Socio-Economic Survey of the Village/Habitation,
- b. Problems identified,
- c. Community Awareness Programs organized,
- d. Suggested Short-Term and Long-Term Action Plan,
