PRINCIPAL'S MESSAGE

Dear Colleagues, Students, Parents, Alumni and well wishers,
Warm greetings to you all.

It is a matter of immense pleasure for every one of us at SVB Govt. College, Koilkuntla that we are bringing out the issue of our College News Letter for the month of January - 2023.

It is true that an educational institution cannot be an island unto itself. It has to find ways to connect itself to the society it intends to serve. We, the new team of faculty at the College, strongly feel that this News Letter would act as a bridge between the outside society and the Institution. We believe that the sound of the “Koil Bells” would be heard far and wide.

This News Letter covers a wide spectrum of Curricular, co-curricular and Extra-curricular activities carried out by the various departments of the College in the month of January 2023. I whole heartedly congratulate the editorial board for their sincere efforts in chronicling these events. I hope it would be appreciated by one and all.

With regards

Dr. J.V.V.N.Kesava Rao

About the College

S.V.B. Govt. Degree College, Koilkuntla is in the vicinity of historically well-known Renadu area in Kurnool district in Rayalaseema of Andhra Pradesh. S.V.B. Govt. Degree College was established at Koilkuntla under the aegis of Late Sri Pendekanti Venkata Subbaiah, former Governor of Bihar and Karnataka, in 1981. The main objective was to develop this area educationally. About 85% of students hail from socially disadvantaged communities with low income levels. Conventional and restructured courses are offered in this college. The introduction of all courses is giving a greater opportunity for students of this educationally backward area. The CPDC (College Planning and Development Council) and Alumni are a great source of strength to this college. S.V.B. Govt. Degree College moulds the students as responsible citizens and strives to impart employable skills to them. The college has gone for accreditation by NAAC, Bangalore and got B+ Grade in 2007. It went for reaccreditation in 2015 (Second Cycle) and secured B++ Grade.

Vision & Mission
